

OUR MISSION

Innovation is at the heart of our craft. To meet our customer's needs, we have developed a wide variety of railing and fence solutions. Through flexibility and adaptation we strive to meet customer's requirements every day.

RESIDENTIAL PROJECTS

Vision Outdoor Products has developed a wide range of railings to suit our clients' taste and style. Our products are manufactured to specification.

Enhance the appeal of your property and increase its value!

PRODUCTS WARRANTY

All of our aluminum products carry a 15-year limited warranty against manufacturing defects. Vision Outdoor Products applies a high-quality powder coat finish which meets AAMA 2604 specifications. Our finish is guaranteed not to crack, chip, blister or peel for a period of fifteen (15) years with normal use and weathering. Read warranty and cleaning instructions at www.visionoutdoorproducts.com

OUR SPECIALTY

Vision Outdoor Products offer a unique look which will enhance your property's appearance, while still respecting its original style. Quality products and professional service have created the credible reputation our company enjoys.

MULTI-FAMILY HOUSING CONDOMINIUMS & APARTMENTS

Multi-Family Housing projects are an integral part of Vision Outdoor Product's business. Apartments and condominiums differ from residential homes due to their combination of intense usage and specific design characteristics. Vision Outdoor Products takes into account typical construction features such as; common walls, abutting patios and shared entries.

Our Interlocking machine, combined with our growing dealer network, positions Vision Outdoor Products to offer cost-effective railing solutions throughout North America.

ENVIRONMENTAL CONCERNS

- Durable, maintenance-free products
- Recyclable products
- Responsible management of waste in daily plant operations

RAILINGS

Vision Outdoor Products manufactures a wide variety of aluminum guardrails. Vision Outdoor Products railings are designed to meet strength and resistance requirements conforming to stringent North American Building Codes.

Through our growing network of dealers, Vision Outdoor Products can supply standard aluminum railing panels manufactured by our Interlocking machine or we can supply custom fabricated railings and gates from our manufacturing facility.

Vision Outdoor Products aluminum railing panels have been successfully tested by third-party ISO 17025 testing laboratories in accordance with the following:

- 2010 Canadian National Building Code (NBC)
- 2012 Ontario Building Code (OBC)
- 2012 British Columbia Building Code (BCBC)
- ICC-ES AC273, Acceptance criteria for handrails and guards
- 2012 International Building Code (IBC)
- 2012 International Residential Code (IRC)
- 2010 Florida Building Code (FBC) Including High Velocity Hurricane Zone (HVHZ) for Colonial and Victorian Series
